

Leading from the Chair - Workshop

Network and Workshop

Thursday, 3 October 2019, 9.45am – 2pm

Institute of Public Administration, 57-61 Lansdowne Road, Dublin D04 TC62

The second Chairpersons' Network event of 2019 takes the form of a workshop session led by an international governance expert, Stanislav Shekshnia, who leads the *Leading from the Chair* programme at INSEAD, one of the world's leading and largest graduate business schools.

The workshop will be a highly-interactive, research-informed and practically-oriented session, designed to provide Chairs with an opportunity to discover, share and practice techniques for achieving greater board effectiveness. This is in the context of the greater expectations, visibility and significance of the Chair, and the increasing importance of the Chair in leading and influencing board effectiveness.
